Malaysia | +6019-7229731 | rusydeeizzat@gmail.com
linkedin.com/in/rusydee-izzat-454341166

PROFESSIONAL SUMMARY

EV retail and technology sales professional with 10+ years across sales, customer experience, quality assurance and retail operations, including three years at Tesla Malaysia (24-28 orders a month; highest order count in Malaysia for Q4 2025). Strong in CRM discipline, consultative selling, cross-functional coordination and coaching. Bilingual in Bahasa Melayu and English.

CORE COMPETENCIES

Sales Pipeline Management | CRM | Customer Experience | Retail & Event Operations | Cross-Functional Coordination | Team Coaching | Quality Auditing | Root-Cause Analysis | EV Product Knowledge

PROFESSIONAL EXPERIENCE

Tesla Advisor

Oct 2023 - Sep 2026

Tesla Malaysia

- Averaged 24-28 orders per month and achieved the highest order count in Malaysia for Q4 2025 during the EV tax-exemption campaign (Tesla internal data).

Pavilion Damansara Heights | Feb 2025 - Sep 2026

- Managed customer journeys end to end, from consultation, demonstration and test drive to order, CRM follow-up and delivery coordination.
- Kept pipeline and customer records accurate; resolved delivery and service escalations with Sales, Delivery and Service teams.
- Supported showroom operations, campaigns, corporate events and roadshows across multiple locations; shared product and process knowledge with colleagues.

Cyberjaya | Oct 2023 - Jan 2025

- Contributed to Tesla Malaysia's early retail operations in a high-demand environment, conducting up to 24 test drives in a single day while maintaining safety procedures and service standards.
- Worked with fellow Advisors to improve lead engagement and CRM follow-up during fluctuating market conditions.
- Coordinated vehicle arrangements, logistics and post-event activity for regional roadshows; supported Client Experience and Delivery Advisor teams on enquiries and order progression.

Technical product knowledge

- Built working knowledge of EV battery systems, charging, software and Tesla Vision through Tesla internal learning and Service team collaboration (including standard Service Mode functionality within authorised access), and used it to simplify EV decisions for customers.

Safety Analyst

Jan 2021 - Jan 2023

ByteDance Inc

- Reviewed high volumes of user-generated content against platform safety policies, balancing accuracy, productivity and KPIs in a fast-paced environment.
- Escalated complex cases and recurring policy issues; worked with Quality Assurance, Policy and Operations teams to improve consistency.
- Guided fellow analysts on policy interpretation and shared best practice.

Quality Assurance Analyst (Validator)
Jan 2023 - Sep 2023

ByteDance Inc

- Selected as Validator; audited new analysts' decisions for accuracy and policy adherence, identifying error patterns and giving structured feedback.
- Assigned to monitor and assess the work of a team of 9 analysts (an assigned responsibility, not a formal title); coached new hires on policy and quality expectations.
- Applied root-cause analysis to improve process alignment.
- Received a company-wide award for fast learning and reliable performance.

Customer Experience Specialist
Jun 2019 - Dec 2020

TopNotch Sdn Bhd (Seconded to Grab, Singapore market)

- Supported Singapore-based drivers and passengers across call centre, social media and digital channels, including driver account administration and platform guidance.
- Investigated booking disputes and operational complaints, coordinating complex escalations and reporting recurring issues to supervisors.

Lead Generation Consultant
Apr 2018 - May 2019

SNS Network (M) Sdn Bhd

- Prospected and qualified IT sales leads through market research and outreach, matching customer requirements and budgets to Apple, JOI and Mellanox solutions.
- Maintained prospect records, follow-ups and sales reports; coordinated lead handovers with sales teams.

Customer Service Executive
Apr 2017 - Mar 2018

Brandt International Sdn Bhd (Seconded to PETRONAS Dagangan Berhad)

- Handled 60-100 calls and 40-60 emails daily, resolving product enquiries, complaints and service requests in line with PETRONAS procedures and service standards.
- Investigated root causes, coordinated escalations with internal departments and documented follow-up to support service improvement.

Demo Artist / Sales Specialist
Mar 2013 - Aug 2015

Machines Sdn Bhd (Apple Premium Partner)

- Promoted from Sales Specialist to Demo Artist for product demonstration and consultative sales performance; consistently met monthly KPIs.
- Delivered Apple ecosystem demonstrations, including iMovie, GarageBand and Keynote, using Apple Product Professional training to support purchase decisions.

EARLIER EXPERIENCE

Sports & Recreation Coordinator | Colmar Tropicale Resort, Berjaya Group Jan 2012 - Mar 2012

Coordinated group recreation and team-building event logistics.

EDUCATION

Certificate in Mechatronic Engineering | AutoPrima College, Shah Alam 2016

Certificate in Cabin Crew | Aviation Management College, Bangi 2013

Sijil Pelajaran Malaysia (SPM) | SMK Pandan Jaya, Selangor 2011
